

IMR Doctoral Conference 2014

Invitation to Delegates

The Indian Institute of Management Bangalore's IIMB Management Review (IMR) and the Office of the Fellow Programme in Management are organizing the sixth annual Doctoral Students' Conference (IMRDC) on **December 22 and 23, 2014**. The conference will be held at IIM Bangalore. Our objective is to encourage doctoral students' research and facilitate collaborative work amongst researchers from different institutions. We aim to provide a forum where insightful feedback from senior researchers and academicians would help improve the quality of students' work. The IMRDC is a benchmark event in India's doctoral student community in Management and Social Sciences which has been commended, in particular, by participants for the useful and constructive feedback provided through its 'one exclusive discussant per paper' format

We have envisioned a two-day programme consisting of full paper presentations by doctoral level students, keynote sessions and invited talks by noted international scholars in management and social sciences research, a workshop and a poster session. We invite you to visit our website at <http://www.iimb.ernet.in/publications/review/past-imr-doctoral-conferences> for information on past IMR Doctoral conferences

The event is open for registration to doctoral students and faculty of management institutes/departments and the social sciences, as well as researchers and practitioners in affiliated fields. Details of registration are given below.
